

## COPEINCA among the 100 companies where more Peruvians want to work

According to a study by the Business Corporate Reputation Monitor (MERCO by his acronym in spanish), we are among the 100 most desirable companies for working in Peru. We are proud to rank as the second most attractive company to work in the fishing industry. This strength our reputation in the labor market and is an encouragement to continue developing and growing as the best fishing company in Peru.
